Subject: Formal Amendment No. 6 to the Shasta County 2015 Federal Transportation Improvement Program (FTIP)

Dear Mr. de Terra:

With the delegation authority provided me by the Shasta Regional Transportation Agency (SRTA) Board of Directors per attached SRTA Resolution #13-14, dated December 10, 2013, I hereby approve Formal Amendment No. 6 to the 2015 Federal Transportation Improvement Program (FTIP) for forwarding to Caltrans for review and recommendation of approval to the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA).

The amendment is consistent with metropolitan transportation planning regulations per Title 23 Code of Federal Regulations Part 450. As amended, the 2015 FTIP is financially constrained and the attached financial summary confirms that funding is available. Additionally, the amendment is consistent with the Regional Transportation Plan. Shasta County is in conformance with federal air quality standards.

The amendment notification process complied with SRTA's adopted Public Participation Plan. The public review period was from March 7, 2016, through March 22, 2016, meeting the requisite 14-day review period.

This amendment updates three grouped project listings revised since preparation of the 2015 FTIP, or amended at your staff's request. Formal Amendment No. 6 adds, or revises, the following projects as separate line items:

- **Grouped Projects for Safety Improvements – HSIP, CTIPS ID 211-0000-0093:** This grouped listing includes two project programming revisions for the city of Redding. The first includes moving out the Victor Avenue between Enterprise Park and Churn Creek "road diet" and pedestrian safety

improvements project from FY 2015/16 to FY 2016/17. The second increases local funding by \$57,536 for the Old Oregon Trail between Midland Drive and Bear Mountain Road shoulder widening and drainage upgrade. Additionally, there are some minor local project funding adjustments for some county of Shasta projects.

- **Grouped Projects for Bicycle and Pedestrian Facilities in Shasta County – CTIPS ID 211-0000-0115:** Adds four Active Transportation Program (ATP) Cycle 2 awards from the California Transportation Commission (CTC) as follows:
 - Diestelhorst to Downtown Non-Motorized Improvement Project – Funded with ATP, SRTA Regional Improvement Program (RIP), and city of Redding local funding, this project is programmed over three years, from FY 2016/17 to 2018/19, with construction programmed for FY 2018/19. The approved project uses \$2.138M ATP funding, matched by \$400K RIP monies, and \$100K local funding.
 - Quartz Hill Road Active Transportation Project – This city of Redding project received a \$3.177M ATP award for use in FY 2016/17 which will be matched with \$351K of combined citywide transportation impact fees and Transportation Development Act funds. Of these matching funds, \$221K has been previously expended in prior years. The project will widen the uphill road grade for Class 2 bicycle lanes and sidewalks, including implementation of a “Road Diet”.
 - Old Oregon Trail Shasta College Active Transportation Project – Funded with \$572K of ATP funds, this Shasta County project spans three years, from FY 2016/17 to 2018/19, with construction programmed for FY 2018/19. Local match of \$70K is from Shasta College, with SRTA Non-Motorized funding providing the remaining \$74K match. The project will improve bicycle access to Shasta College, and within Shasta College, and link to existing bike routes.
 - Junction School Safe Routes to School – The CTC \$462K ATP award to Shasta County is programmed over three years from FY 2016/17 to 2018/19, with construction programmed in FY 2018/19. The \$116K match from the SRTA Non-Motorized program is programmed in FY 2018/19. The county will implement a “Road Diet” (five lanes to three lanes) on Deschutes Road adjacent to Junction School and provide raised median crosswalk refuge islands to enhance crossing safety.
- **Grouped Projects for Planning Projects – CTIPS ID 211-0000-0120:** Programs the CTC \$250K ATP award to SRTA in FY 2016/17 for developing the GoShasta Active Transportation Plan. Match funds of \$63K from SRTA are included in the region’s Overall Work Program (OWP).

With this transmittal, SRTA 2015 FTIP Formal Amendment No. 6 is being provided directly to Caltrans. An electronic copy will be transmitted to Caltrans, FHWA, and FTA. The approved amendment will be posted to the SRTA website at <http://www.srta.ca.gov>. Please recommend this formal amendment for approval to the U.S. Department of Transportation.

Please do not hesitate to contact senior transportation planner Kathy Urlie at (530) 262-6194, or kurlie@srta.ca.gov, if you have questions.

WHEREAS, the Shasta Regional Transportation Agency (SRTA) has been designated as the Metropolitan Planning Organization (MPO) for Shasta County pursuant to U.S.C. Section 134(a) and (g); and

WHEREAS, Title 23 Code of Federal Regulations, Part 450 requires the preparation and adoption of a four-year Federal Transportation Improvement Program (FTIP) by the MPO to become part of the Federal-Statewide Transportation Improvement Program (FSTIP); and

WHEREAS, in order to be consistent with the State Transportation Improvement Program (STIP), the FTIP must be updated every two years; and

WHEREAS, SRTA is responsible for preparing and processing administrative modifications and formal amendments to the FTIP; and

WHEREAS, SRTA's governing board of directors may delegate approval of formal amendments to the FTIP to the executive director of SRTA; and
