**Low Carbon Transit Operations Program (LCTOP)
AUTHORIZED AGENT**

AS THE Executive Director
(Chief Executive Officer / Director / President / Secretary)

OF THE Shasta Regional Transportation Agency
(Name of County/City Organization)

I hereby authorize the following individual(s) to execute for and on behalf of the named Regional Entity/Transit Operator, any actions necessary for the purpose of obtaining Low Carbon Transit Operations Program (LCTOP) funds provided by the California Department of Transportation, Division of Rail and Mass Transportation. I understand that if there is a change in the authorized agent, the project sponsor must submit a new form. This form is required even when the authorized agent is the executive authority himself. I understand the Board must provide a resolution approving the Authorized Agent. The Board Resolution appointing the Authorized Agent is attached.

Daniel S. Little, Executive Director

Approved this 24th day of February, 2016

Attachment: Board Resolution approving Authorized Agent

Low Carbon Transit Operations Program (LCTOP) CERTIFICATIONS AND ASSURANCES

Project Sponsor: Shasta Regional Transportation Agency

Agency Name: Shasta Regional Transportation Agency

Effective Date of this Document: February 24, 2016

The California Department of Transportation (Department) has adopted the following certifications and assurances for the Low Carbon Transit Operations Program. As a condition of the receipt of LCTOP funds, project lead must comply with these terms and conditions.

A. General

- (1) The project lead agrees to abide by the current LCTOP Guidelines and applicable legal requirements.
- (2) The project lead must submit to the Department a signed Authorized Agent form designating the representative who can submit documents on behalf of the project sponsor and a copy of the board resolution appointing the Authorized Agent.

B. Project Administration

- (1) The project lead certifies that required environmental documentation is complete before requesting an allocation of LCTOP funds. The project lead assures that projects approved for LCTOP funding comply with Public Resources Code § 21100 and § 21150.
- (2) The project lead certifies that a dedicated bank account for LCTOP funds only will be established within 30 days of receipt of LCTOP funds.
- (3) The project lead certifies that when LCTOP funds are used for a transit capital project, that the project will be completed and remain in operation for its useful life.
- (4) The project lead certifies that it has the legal, financial, and technical capacity to carry out the project, including the safety and security aspects of that project.
- (5) The project lead certifies that they will notify the Department of pending litigation, dispute, or negative audit findings related to the project, before receiving an allocation of funds.
- (6) The project lead must maintain satisfactory continuing control over the use of project equipment and facilities and will adequately maintain project equipment and facilities for the useful life of the project.
- (7) Any interest the project lead earns on LCTOP funds must be used only on approved LCTOP projects.
- (8) The project lead must notify the Department of any changes to the approved project with a Corrective Action Plan (CAP).
- (9) Under extraordinary circumstances, a project lead may terminate a project prior to completion. In the event the project lead terminates a project prior to completion, the project lead must (1) contact the Department in writing and follow-up with a phone call verifying receipt of such notice; (2) pursuant to

verification, submit a final report indicating the reason for the termination and demonstrating the expended funds were used on the intended purpose; (3) submit a request to reassign the funds to a new project within 180 days of termination.

- (10) Funds must be encumbered and liquidated within the time allowed.

C. Reporting

- (1) The project lead must submit the following LCTOP reports:
- a. Semi-Annual Progress Reports by May 15th and November 15th each year.
 - b. A Final Report within six months of project completion.
 - c. The annual audit required under the Transportation Development Act (TDA), to verify receipt and appropriate expenditure of LCTOP funds. A copy of the audit report must be submitted to the Department within six months of the close of the year (December 31) each year in which LCTOP funds have been received or expended.
- (2) Other Reporting Requirements: ARB is developing funding guidelines that will include reporting requirements for all State agencies that receive appropriations from the Greenhouse Gas Reduction Fund. Caltrans and project sponsors will need to submit reporting information in accordance with ARB's funding guidelines, including reporting on greenhouse gas reductions and benefits to disadvantaged communities.

D. Cost Principles

- (1) The project lead agrees to comply with Title 2 of the Code of Federal Regulations 225 (2 CFR 225), Cost Principles for State and Local Government, and 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.
- (2) The project lead agrees, and will assure that its contractors and subcontractors will be obligated to agree, that:
- a. Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31, et seq., shall be used to determine the allow ability of individual project cost items and
 - b. Those parties shall comply with Federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments. Every sub-recipient receiving LCTOP funds as a contractor or sub-contractor shall comply with Federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.
- (3) Any project cost for which the project lead has received funds that are determined by subsequent audit to be unallowable under 2 CFR 225, 48 CFR, Chapter 1, Part 31 or 49 CFR, Part 18, are subject to repayment by the project lead to the State of California (State). All projects must reduce greenhouse gas emissions, as required under Public Resources Code section 75230, and any project that fails to reduce greenhouse gases shall also have its project costs submit to repayment by the project lead to the State. Should the project lead fail to reimburse moneys due to the State within thirty (30) days of demand, or within such other period as may be agreed in writing between the Parties hereto, the State is authorized to intercept and withhold future payments due the project lead from the State or any third-party source, including but not limited to, the State Treasurer and the State Controller.

E. Record Retention

- (1) The project lead agrees, and will assure that its contractors and subcontractors shall establish and maintain an accounting system and records that properly accumulate and segregate incurred project costs and matching funds by line item for the project. The accounting system of the project lead, its contractors and all subcontractors shall conform to Generally Accepted Accounting Principles (GAAP), and enable the determination of incurred costs at interim points of completion. All accounting records and other supporting papers of the project lead, its contractors and subcontractors connected with LCTOP funding shall be maintained for a minimum of three (3) years after the “Project Closeout” report or final Phase 2 report is submitted (per ARB Funding Guidelines, Vol. 3, page 3.A-16), and shall be held open to inspection, copying, and audit by representatives of the State and the California State Auditor. Copies thereof will be furnished by the project lead, its contractors, and subcontractors upon receipt of any request made by the State or its agents. In conducting an audit of the costs claimed, the State will rely to the maximum extent possible on any prior audit of the project lead pursuant to the provisions of federal and State law. In the absence of such an audit, any acceptable audit work performed by the project lead’s external and internal auditors may be relied upon and used by the State when planning and conducting additional audits.
- (2) For the purpose of determining compliance with Title 21, California Code of Regulations, Section 2500 et seq., when applicable, and other matters connected with the performance of the project lead’s contracts with third parties pursuant to Government Code § 8546.7, the project sponsor, its contractors and subcontractors and the State shall each maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts, including, but not limited to, the costs of administering those various contracts. All of the above referenced parties shall make such materials available at their respective offices at all reasonable times during the entire project period and for three (3) years from the date of final payment. The State, the California State Auditor, or any duly authorized representative of the State, shall each have access to any books, records, and documents that are pertinent to a project for audits, examinations, excerpts, and transactions, and the project lead shall furnish copies thereof if requested.
- (3) The project lead, its contractors and subcontractors will permit access to all records of employment, employment advertisements, employment application forms, and other pertinent data and records by the State Fair Employment Practices and Housing Commission, or any other agency of the State of California designated by the State, for the purpose of any investigation to ascertain compliance with this document.

F. Special Situations

The Department may perform an audit and/or request detailed project information of the project sponsor’s LCTOP funded projects at the Department’s discretion at any time prior to the completion of the LCTOP.

I certify all of these conditions will be met.

BY:

Daniel S. Little, Executive Director
Shasta Regional Transportation Agency

RESOLUTION

RESOLUTION NUMBER:	16-01
SUBJECT:	Delegation Authority for the Low Carbon Transit Operations Program

WHEREAS, Shasta Regional Transportation Agency (SRTA) is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Program (LCTOP), now or sometime in the future, for transit projects; and

WHEREAS, the statutes related to state-funded transit projects require a local or regional implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the California Department of Transportation (Caltrans) as the administrative agency for the LCTOP; and

WHEREAS, Caltrans has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors; and

WHEREAS, SRTA wishes to delegate authorization to execute these documents and any amendments thereto to the executive director.

NOW, THEREFORE, BE IT RESOLVED that the Shasta Regional Transportation Agency:

1. Agrees to comply with all conditions and requirements set forth in the Certification and Assurances and the Authorized Agent documents and applicable statutes, regulations and guidelines for all LCTOP funded transit projects; and
2. Executive director is authorized to execute all required documents of the LCTOP program and any amendments thereto with Caltrans.

PASSED AND ADOPTED this 23rd day of February, 2016, by the Shasta Regional Transportation Agency.

A handwritten signature in blue ink, appearing to read "Leonard Moty", is written over a horizontal line.

Leonard Moty, Chair
Shasta Regional Transportation Agency

RESOLUTION

RESOLUTION NUMBER:	16-02
SUBJECT:	Authorization for the Execution of the Low Carbon Transit Operations Program Project: Expansion of Express Services for \$187,529

WHEREAS, Shasta Regional Transportation Agency (SRTA) is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Program (LCTOP), now or sometime in the future, for transit projects; and

WHEREAS, the statutes related to state funded transit projects require a local or regional implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the California Department of Transportation (Caltrans) as the administrative agency for the LCTOP; and

WHEREAS, Caltrans has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors; and

WHEREAS, SRTA wishes to implement the LCTOP expansion of express services project.

NOW, THEREFORE, BE IT RESOLVED that the Shasta Regional Transportation Agency:

1. Agrees to comply with all conditions and requirements set forth in the applicable statutes, regulations and guidelines for all LCTOP funded transit projects; and
2. Authorizes the submittal of the following project nomination and allocation request to Caltrans in fiscal year 2015-16 funds:

Expansion of express services project for \$187,529. The purpose of the project is to expand express route transit services provided by Redding Area Bus Authority (RABA). LCTOP funds will contribute to the operation of the increased services, and RABA is a contributing sponsor.

PASSED AND ADOPTED this 23rd day of February, 2016, by the Shasta Regional Transportation Agency.

A handwritten signature in blue ink, appearing to read "Leonard Moty", is written over a horizontal line.

Subject: Low Carbon Transit Operations Program Contribution

Dear Ms. Priebe:

The Redding Area Bus Authority (RABA) is an eligible recipient of Low Carbon Transit Operations Program (LCTOP) PUC Section 99314 funds and is a contributing sponsor on regional LCTOP projects. RABA requests that the allocation based on PUC 99314 of \$14,462 be released to our regional entity Shasta Regional Transportation Agency (SRTA), so the funds may be applied to a project within our region that meets requirements of the LCTOP Guidelines.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian F. Crane", is written over a horizontal line.

RESOLUTION NO. RABA 2015 - 06

**A RESOLUTION OF THE REDDING AREA BUS AUTHORITY FOR THE EXECUTION
OF THE CERTIFICATIONS AND ASSURANCES FOR THE
LOW CARBON TRANSIT OPERATIONS PROJECT**

WHEREAS, Redding Area Bus Authority (RABA) is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Project (LCTOP), now or sometime in the future, for transit projects; and

WHEREAS, the statutes related to state funded transit projects require a local or regional implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the California Department of Transportation (Caltrans) as the administrative agency for the LCTOP; and

WHEREAS, Caltrans has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors; and

WHEREAS, RABA wishes to delegate authorization to execute these documents and any amendments thereto to the Executive Officer.

NOW, THEREFORE, IT IS RESOLVED that the Board of Directors of the Redding Area Bus Authority agrees to comply with all conditions and requirements set forth in the Certification and Assurances document and applicable statutes, regulations and guidelines for all LCTOP funded transit projects.

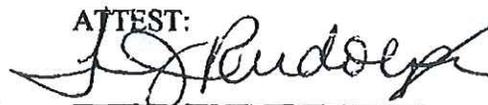

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Redding Area Bus Authority Executive Officer is authorized to execute all required documents for the LCTOP program and any amendments thereto with Caltrans.

I HEREBY CERTIFY the foregoing resolution was introduced, read and adopted at the regular meeting of the Board of Directors of the Redding Area Bus Authority on the 15th day of June, 2015, by the following vote:

AYES: BOARD MEMBERS: Cadd, Cornick, Kern, McArthur, Sullivan, Schreder, Weaver, and Kehoe

	A4		Aiv		B4		
	A5						

Table 4: Project Summary

a) Project Description - Describe the project in your own words, using comprehensive overall project description regarding improvements to be made, increased level of service and performance goals.

Expansion of express route transit services falls under category A1 - Implement new transit service (new routes/lines).

The Cottonwood Express route (under development and implementation using the region's 14/15 LCTOP allocation) will be funded for the three full years allowed by the LCTOP. The Cottonwood Express is new and uses interlining to extend the bus service that currently serves the city of Anderson (population 10,128) into the community of Cottonwood (population 3,316). This route will run five times a day on weekdays and three times a day on Saturday.

The Crosstown Express is being tested currently and will service Hilltop Drive hotels, the Redding Civic Auditorium, and Turtle Bay Exploration Park. The route could run two or three times per hour during the times of day to serve start/end times of the school and employees work schedules six days a week (Mon-Sat). The route will be the most direct connection between the downtown Redding (city population 91,119/urban population 117,731) transfer center (west side of Sacramento River) and the Mount Shasta Mall (east side of Sacramento River).

Both routes will use Gillig diesel 35'-40' buses, which are the standard buses that Redding Area Bus Authority (RABA) has for fixed route use.

b) Project Location - Describe the location of the project. Also provide an 8 1/2" X 11" project site map that shows the transit service area and project location. Use link to CalEPA website for information, <http://www.calepa.ca.gov/EnvJustice/GHGInvest/default.htm>.

Maps - 1) Cottonwood Express; 2) Crosstown Express; 3) Shasta County SB535_DACs

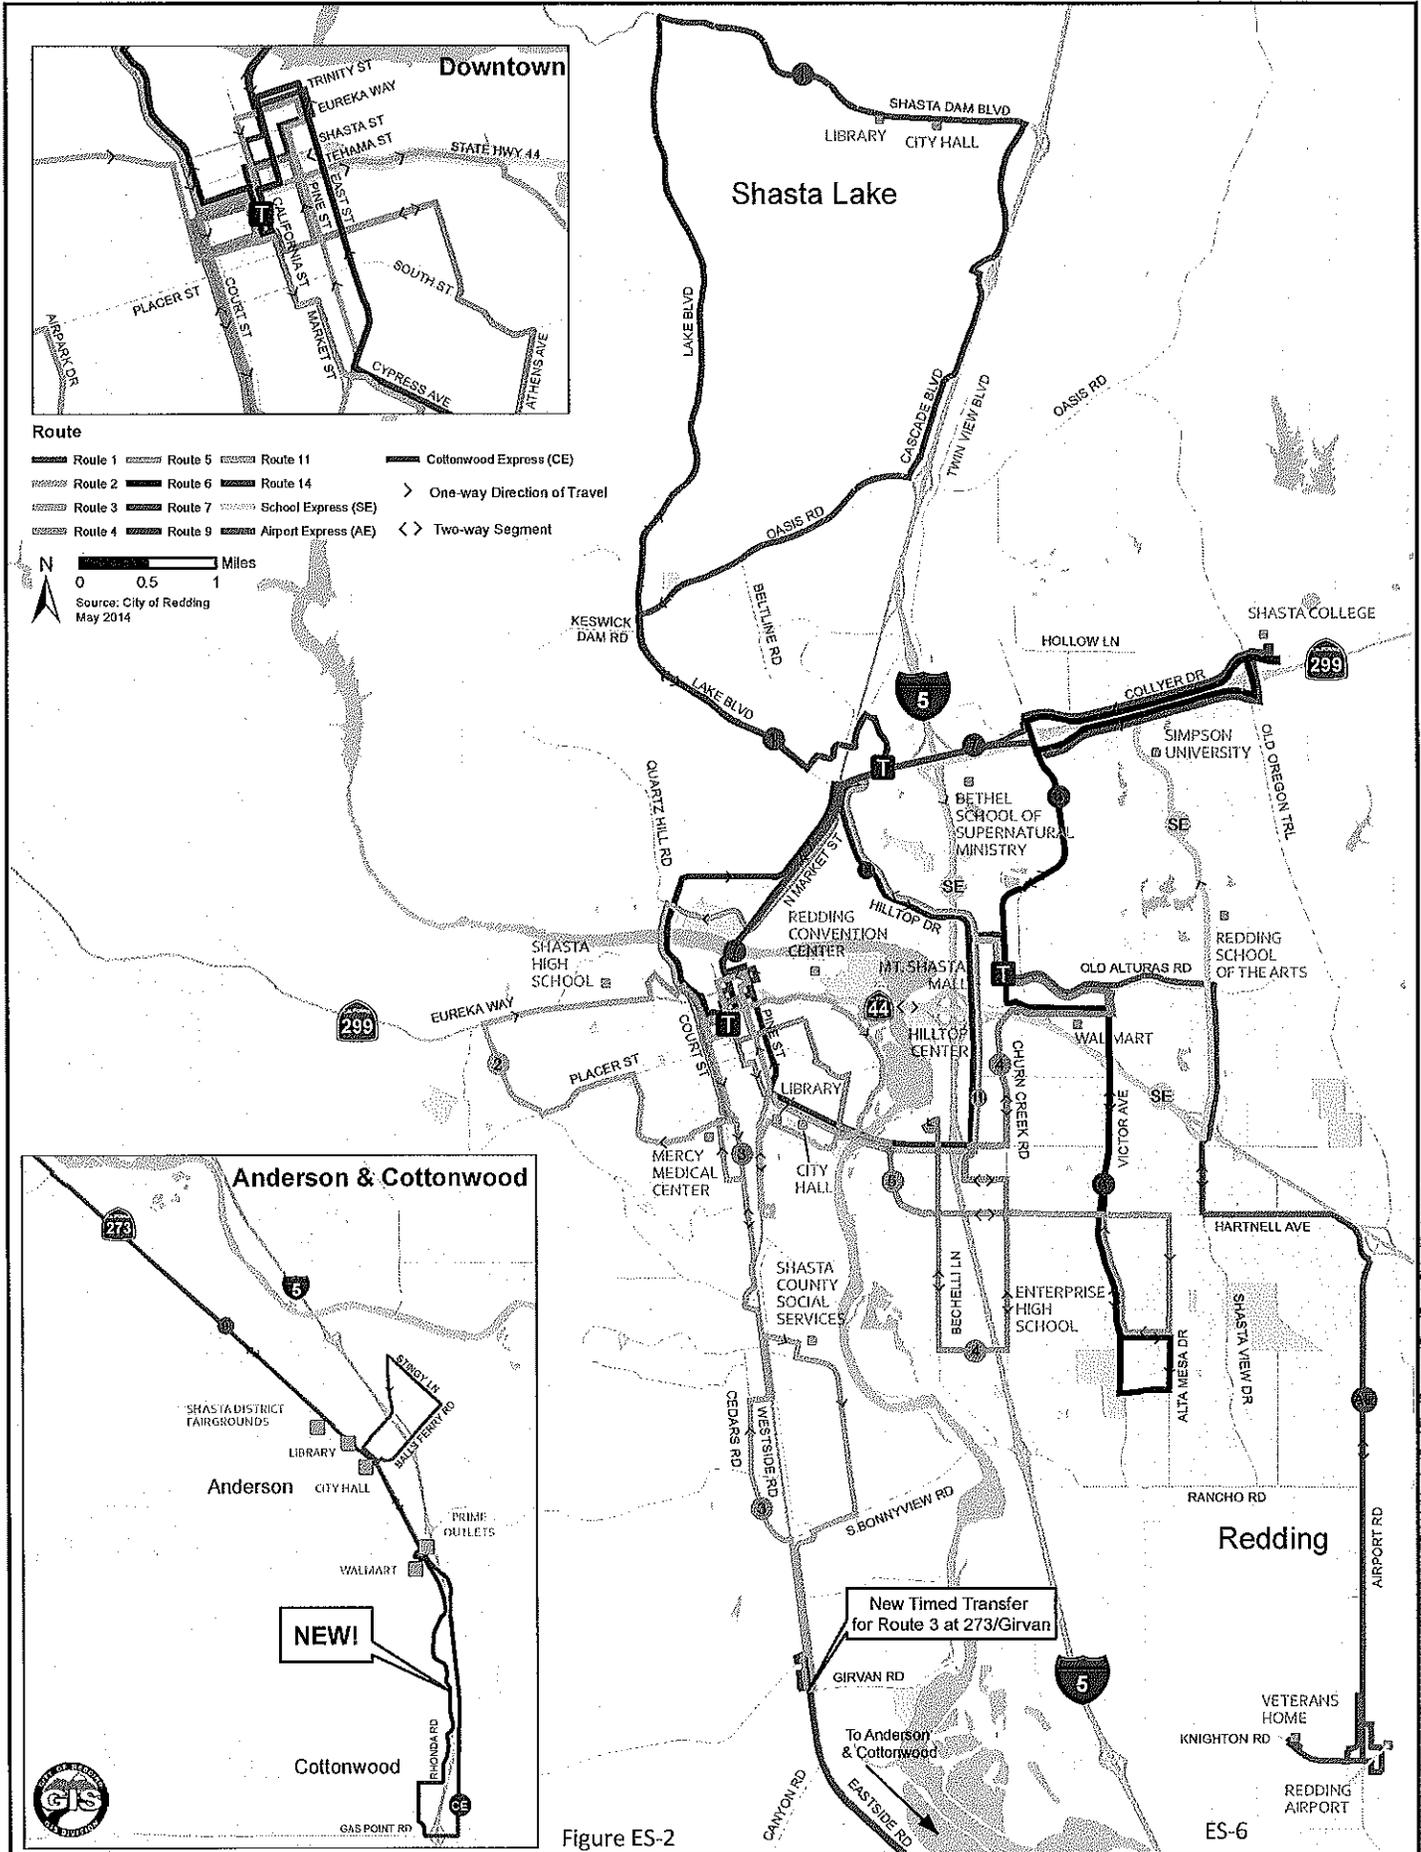

c) Project Life - For capital projects, state the Useful Life of the Project. For operations project state the number of months service will operate.

Capital:

Operations: Cottonwood-3 years
 Crosstown-1 year

Low Carbon Transit Operations Program (LCTOP)

PROJECT DESCRIPTION AND ALLOCATION REQUEST (BENEFITS/OUTCOMES)

Table 5: Description of Major Benefits/Outcomes

a) Greenhouse Gas Reduction - Describe how this project will reduce greenhouse gases and any assumptions or data that support this description. For example, "The expanded transit service will reduce VMT and greenhouse gas emissions by replacing auto trips with transit trips. Initial estimates indicate that the expansion could add 50 commuter bus riders per day to replace an average auto trip of 10 miles each way." If available, please provide the expected amount of VMT reductions and greenhouse gas reductions.

The expanded transit service will reduce VMT and greenhouse gas emissions by replacing auto trips with transit trips --Initial estimates indicate that Cottonwood Express with interlining could add 20 commuter bus riders per day to replace an average auto trip of 24.5 miles each way from the community of Cottonwood to Shasta College. This results in an estimated 0.61 MTCO2 GHG emission reductions.

--Initial estimates indicate that Crosstown Express could add 125-150 bus riders per day to replace an average auto trip of 4 miles each way from the Redding Civic Auditorium to the Mt Shasta Mall, the Canby Transfer Center, and the hotel district along Hilltop Drive. This results in an estimated 3.75 MTCO2 GHG emission reductions.

b) Increased Mode Share - Describe how this project will directly increase mode share.

The expansion of express route transit services targets populations to increase mode share. The expansion of express routes increases transit service by extending one route to create a new service area through interlining and by creating a new route to serve Hilltop Drive, Redding Civic Auditorium, and Turtle Bay Exploration Park employees and hotel guests. The Cottonwood Express service will open up transit service to an unserved community designated as an Urban Cluster by the U.S. Census and will offer one seat rides in each direction from Cottonwood to Shasta College. The service increases the potential for building ridership among the student population. The Crosstown Express service will serve as a direct route between the hotel district along Hilltop Drive and the tourist destinations of Turtle Bay Exploration Park and Sundial Bridge. The Crosstown Express would also be the most direct route between the Downtown Transit Center and the Canby Transfer Center at the Mount Shasta Mall. Express service and transfer station connectivity would serve the over 500 international students that attend private school at Redding Civic Auditorium.

c) Disadvantaged Communities (DAC) Project Criteria

See Attachment B for DAC Criteria to Evaluate Projects (example: Category 1B Project provides transit incentives to residents with a physical address in a disadvantage community (e.g., vouchers, reduced fares, transit passes).

	1H		2F
	2A		2G
	2B		2H
	2C		2I
	2D		

d) Disadvantaged Communities (DAC) (if applicable*) - Describe how this project will directly benefit the DAC(s) within your service area in your own words. For agencies whose service area includes disadvantaged communities, at least 50 percent of the total moneys received shall be expended on projects that will benefit disadvantaged communities.

There are no Senate Bill 535 disadvantaged communities in the service area.

Low Carbon Transit Operations Program (LCTOP)

PROJECT DESCRIPTION AND ALLOCATION REQUEST (BENEFITS/OUTCOMES)

Table 5: Description of Major Benefits/Outcomes

e) Co-Benefits - Check all additional Benefits/Outcomes.

<input type="checkbox"/> Improved Safety	<input checked="" type="checkbox"/>	Coordination with Educational Institutions
<input type="checkbox"/> Improved Public Health	<input checked="" type="checkbox"/>	College/University <input type="checkbox"/> Grades K-12
<input type="checkbox"/> Reduced Operating/Maintenance Cost	<input type="checkbox"/>	Promotes Active Transportation (walking, biking)
<input type="checkbox"/> Increase System Reliability	<input type="checkbox"/>	Promotes integration with other modes of transportation
<input type="checkbox"/> Other Benefits (describe below)		

f) Co-Benefits - Describe benefits indicated above in d) and any other benefits not listed.

The new Cottonwood Express route will interline with other bus routes to offer a one seat passage to Shasta College. The Crosstown Express route would serve student of Bethel Church which holds its classes at the Redding Civic Auditorium.

Table 6: Project Schedule

Capital Projects	
Begin Construction Phase (Contract Award)	
End Construction Phase (Contract Acceptance)	
Begin Vehicle/Equipment Order (Contract Award)	
End Vehicle/Equipment Order (Contract Acceptance)	
Begin Closeout Phase	
End Closeout Phase	

Operations Projects	
Begin expanded/enhanced transit services	1-Jul-16
End expanded/enhanced transit services	Dec-19
Begin Closeout Phase	Mar-19
End Closeout Phase	Jun-20

START DATE FOR LCTOP FUNDED PHASES MAY NOT PROCEED PROJECT APPROVAL LETTER.

Pre-construction costs (e.g design, environmental and right-a-way) are not eligible to be funded by LCTOP funds, they must be funded by other sources.

PROJECT DESCRIPTION AND ALLOCATION REQUEST (OPERATIONS DESCRIPTION)

Table 7: Operations Project Description

a) Describe the operating plan for this system.

Cottonwood Express - The route will be interlined for a one-seat ride to and from Shasta College. Five runs on weekdays and 3 runs on Saturday.

Crosstown Express - The route would run two or three times per hour during the times of day to serve start/end times of the school and employees work schedules.

b) Describe the fare structure for this system.

Regular Fares

Base Fare (Ages 6-61) - \$1.50

Airport Road Corridor Commuter Route - \$1.50

Zone Change - \$0.75

Children (under 6) - Free

Transfers - Free

Special Fares

Senior Base Fare (62 and older) - \$0.75

Handicapped Base Fare - \$0.75

Medicare Card Holder - \$0.75

Zone Change - \$0.40

c) Describe the assumptions and process that were used to develop the ridership projections shown in the request.

Ridership projections for Cottonwood Express assume 0.75% of the 2010 Census community population of 3,316.

Ridership projections for the Crosstown Express assume 25-30% of the estimated 500 international students that attend Bethel Church).

d) Describe the assumptions and process for how the operating cost projections were developed.

Redding Area Bus Authority (RABA) operates at approximately \$90 per service hour.

Cottonwood Express is anticipated to run 715.5 service hours per year (*\$90 = \$64,395) for three years (*3 = \$193,185) using LCTOP funding. 14/15 LCTOP funds (\$62,657) have been applied to this project, which leaves \$130,528 in LCTOP 15/16 funds need to run the express service for the full three years allowed.

This leaves the remaining LCTOP 15/16 allocation (\$187,529 - \$130,528 = \$57,001) for the Crosstown Express. It is anticipated to run 533 service hours per year (*\$90 = \$52,920). Future years of LCTOP allocation are anticipated to fund the Crosstown Express for the full three years.

Low Carbon Transit Operations Program TOTAL PROJECT COST AND FUNDING PLAN

The following Funding Plan has been reviewed and approved by the undersigned. It includes a complete list of funds for this project and is the total cost of the project, including LCTOP funds.

California Environmental Protection Agency

California Air Resources Board (ARB)
Greenhouse Gas Emission Reduction Calculator for the
California Department of Transportation (Caltrans)
Low Carbon Transit Operations Program (LCTOP)
Greenhouse Gas Reduction Fund
Fiscal Year 2015-16

Project Name:	Expansion of Express Route Services
Project ID:	N/A

Inputs in RED must be filled out

Results	GHG Emissions (MTCO2e)	Description
Net GHG Benefits	4.36	Total GHG Emission Reductions (MTCO2e)
LCTOP Funds Requested (\$)	187,529.00	Funds requested per State Controller's Office Eligible list for FY 2015-16
Total LCTOP Funds Requested (\$)	187,529.00	Includes all LCTOP allocations the applicant intends to utilize (up to three FY allocations including FY 2015-16) for the proposed project. Use the State Controller's Office Eligible list for FY 2015-16 allocation funding amounts to estimate the subsequent funding allocations.
Total GGRF Funds Requested (\$)	187,529.00	Includes the Total LCTOP fund requested and any other GGRF Program monies
Total GHG Emission Reductions / Total GGRF Funds Requested (\$)	0.0000	The metric to be reported in the application.
