RECITALS

WHEREAS, the Sub-recipient is a sub-recipient of state and federal planning funds programmed in SRTA's annual Overall Work Program (OWP), administered by and through SRTA. The SRTA annual OWP is part of an agreement with the State of California Department of Transportation (Caltrans), which includes the Overall Work Program Agreement (OWPA) and Master Fund Transfer Agreement (MFTA). Together, the OWP, the OWPA and MFTA set forth the terms and conditions under which these funds are to be expended by SRTA and its sub-recipients.

Funding agencies that provide monies which are not included in the OWPA and MFTA sometimes have their own controls which may not be included herein. For non-OWPA and non-MFTA funds, the other funds grant agreement(s) shall have precedence in the event of contrary instruction/requirement. Copy of said other funds grant agreement will be provided by SRTA to the Sub-recipient under "Special Conditions" (Appendix D), as applicable. Other funds not subsumed under the OWPA and MFTA terms referenced and set forth under this AGREEMENT will also be incorporated into SRTA's annual OWP.

WHEREAS, SRTA and the Sub-recipient intend to coordinate development of the annual SRTA OWP, with final OWP approval by SRTA; and

WHEREAS, SRTA and the Sub-recipient intend to cooperate to ensure the timely development, adoption and implementation of integrated comprehensive regional plans and policies, as set forth by federal and state requirements; and

WHEREAS, SRTA and the Sub-recipient intend to cooperate to ensure continual satisfactory compliance with applicable federal and state laws and planning and management guidelines; and

WHEREAS, SRTA and the Sub-recipient intend to ensure their respective cost accounting systems meet federal and state regional planning fund requirements; and

WHEREAS, SRTA and the Sub-recipient intend to improve accountability of persons carrying out the duties prescribed in this AGREEMENT, and reduce delays associated with the billing process.

Sub-recipient invoices shall be reviewed and submitted for payment by SRTA within thirty (30) days of receipt based on complete and accurate invoices. ## Appendix E

### CPG Sub-Recipient Responsibilities for DBE Include:

- Participation in the race neutral DBE Program when contracting/awarding to sub-recipients or planning consultants involving any fraction of federal CPG funds.
- Participation in the race neutral DBE Program even if sub-recipients have not contracted out work to sub-recipients or consultants. They must also complete, sign and turn in the FTA DBE Uniform Report form, showing zero dollars. This information will provide necessary data for the federally mandated Caltrans DBE disparity study.
- Completion of the FTA DBE Uniform Report form twice a year: April 1<sup>st</sup> and October 1<sup>st</sup>. The DBE Uniform Report shows the federal dollar amount provided through contract/s as well as DBE participation in these contracts. This information will provide necessary data for the federally mandated Caltrans DBE disparity study and reporting to the FTA. The completed forms are sent to the appropriate Caltrans Headquarters, Office of Regional and Interagency Planning Liaison.
- Development and implementation of a DBE Program following the Caltrans DBE Program Plan, pursuant to the Master Fund Transfer Agreement, Article IV, Section 2. This Plan formally acknowledges the statutory and/or regulatory requirements with its race-neutral measures, and their commitment to comply with all the prescribed responsibilities explained herein.
- Development and maintenance of a Bidder's List, consisting of information about all DBE and non-DBE firms that bid or quote on CPG-assisted contracts. The Bidder's List includes the name, address, DBE/non-DBE status, age and annual gross receipts of firms.
- Inclusion of the following clause is required, verbatim, in each CPG-assisted contract:
  - The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of United States Department of Transportation-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as recipient deems appropriate.
- Inclusion of contractual language specifying prompt payment clauses are required in the foregoing provisions. These prompt payment clauses benefit all subcontractors equally.
  - **Prompt Progress Payment to Subcontractors**—A prime contractor or subcontractor shall pay to any subcontractor not later than 10-days of receipt of each progress payment, in accordance with the provision in Section 7108.5 of the California Business and Professions Code concerning prompt payment to subcontractors. The

10-day rule is applicable unless a longer period is agreed to in writing. Any delay or postponement of payment over 30-days may take place only for good cause and with the agency's prior written approval. Any violation of Section 7108.5 shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies of that Section. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

- **Prompt Payment of Withheld Funds to Subcontractors**—The MPO, RTPA or local government entity shall include either (1), (2), or (3) of the following provisions in their CPG-assisted contracts to ensure prompt and full payment of retainage (withheld funds) to subcontractors in compliance with 49 CFR 26.29.
  - 1) No retainage will be held by the agency from progress payments due to the prime contractor. Prime contractors and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
  - 2) No retainage will be held by the agency from progress payments due to the prime contractor. Any retainage kept by the prime contractor or by a subcontractor must be paid in full to the earning subcontractor in 30-days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

- 3) The agency shall hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the agency of the contract work and pay retainage to the prime contractor based on these acceptances. The prime contractor or subcontractor shall return all monies withheld in retention from all subcontractors within 30-days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating prime contractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of: a dispute involving late payment or nonpayment by the contractor; deficient subcontractor performance; and/or noncompliance by a subcontractor.
